- **Integrity and Ethics:** Upholding high standards of integrity and ethics.
- **Accountability:** Taking responsibility for actions and decisions.

SK CREATIVE WORKS

OUR STRENGTHS

Tasgo India Pvt Ltd. distinguishes itself through its ability to provide comprehensive multi-disciplinary engineering services to our customers. We offer full EPCCS support (Engineering, Procurement, Construction, Commissioning, and Services) tailored to meet our customers' needs.

Our organization cultivates an innovative problem-solving culture, ensuring swift and adaptable responses to client requirements. With a highly skilled team, TASGO provides end-to-end engineering solutions—from project feasibility assessments to detailed design and construction management. We operate with professionalism, emphasizing forward-thinking and customer-centric practices, upheld by effective policies ensuring excellence in Quality, Health & Safety, and Environmental standards. And we provide dedicated EPCCS support tailored to meet our customers' specific needs."

Innovative Approach:

We consistently innovate in our engineering solutions, leveraging cutting-edge technologies and methodologies to address complex challenges.

Continuous Improvement

Our stringent HSE policies and practices ensure the well-being of our workforce, stakeholders, and the environment, aligning with international best practices and regulatory requirements.

Flexibility and Agility

Our company prides itself on its ability to quickly adapt to changing project requirements and market dynamics, ensuring timely and effective project delivery.

Health, Safety & Environmental Focus

Our stringent HSE policies and practices ensure the well-being of our workforce, stakeholders, and the environment, aligning with international best practices and regulatory requirements.

Comprehensive Service Offering

TASGO INDIA offers a wide range of services , providing a seamless experience for our clients.

Global Reach with Local Expertise

We combine global capabilities with deep local knowledge, leveraging our international experience to deliver tailored solutions that meet regional and cultural nuances.

Commitment to Quality

We maintain rigorous quality assurance processes throughout every stage of project execution, ensuring that our deliverables meet or exceed industry standards and client expectations.

Proven Track Record

With a history of successful project completions and satisfied clients, TASGO INDIA has earned a reputation for reliability, expertise, and excellence in engineering services.

Customer-Centric Approach

TASGO INDIA is dedicated to understanding and fulfilling our clients' needs, fostering long-term partnerships built on trust, transparency, and mutual respect.

SK CREATIVE WORKS

OUR SERVICES

TASGO INDIA PRIVATE LIMITED specializes in providing high-quality consulting engineering and project management services tailored for the Power & Industrial sectors. Our dedicated team of engineering professionals collaborates closely with various disciplines to offer a comprehensive range of services, ensuring timely and cost-effective delivery.

ENGINEERING CONSULTANCY	Comprehensive engineering services including Civil & Structural, Electrical & Instrumentation, Mechanical engineering.
INSTALLATION, TESTING, & COMMISSIONING	Expertise in overseeing the installation, testing, and commissioning phases of projects to ensure smooth operations.
STRUCTURAL STEEL/PIPING-FABRICATION & ERECTION	Design, fabrication, and on-site erection of heavy and light structural steel—including pipe racks, platforms, sheds, and support systems.
PROJECT MANAGEMENT SERVICES	End-to-end project management solutions from inception to completion, ensuring adherence to time lines and budgets.
PROCUREMENT / TRADING AND MATERIAL MANAGEMENT	Efficient handling and management of materials and equipment to support project requirements.
MECHANICAL & ELECTRICAL EQUIPMENT INSTALLATION	Installation, alignment, and commissioning of static and rotary equipment including pumps, compressors, turbines, boilers, and heat exchangers.
DIGITAL SOLUTIONS (IOT, DX, SOFTWARE)	Digital solutions and implementation of IoT and related software applications to enhance operational efficiency.
OPERATION AND MAINTENANCE SERVICES	Comprehensive support including O&M Support, Annual Maintenance Contracts (AMC), Overhauling services, and Technical support to optimize Asset performance.
SKILLED MANPOWER & RESOURCE SUPPLY	Provision of skilled manpower and resources tailored to project-specific needs.
QA/QC MANAGEMENT SERVICES	Implementation of rigorous Quality Assurance (QA) and Quality Control (QC) measures, including auditing and third-party inspection services.
HEALTHY, SAFETY & ENVIRONMENT SERVICES	Commitment support to maintaining high standards of Health, Safety, and Environmental practices throughout project execution.

These services highlight Tasgo India Private Limited's capabilities in delivering integrated solutions that meet the complex demands of Power & Industrial projects while ensuring client satisfaction through reliable and efficient service delivery.

SK CREATIVE WORKS

OUR BUSINESS AREAS

RENEWABLE ENERGY

- EPCCS services for:
- Hydro Electric Power Plants (Including Large, Medium, Small & Micro)
- Pumped Storage Power Projects
- Solar Energy Projects
- Wind Energy Projects

THERMAL POWER GENERATION

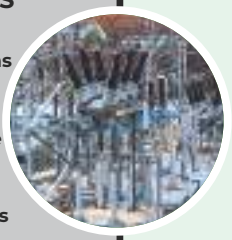
- EPCCS solutions for:
- Coal Power Plants
- Combined Cycle Power Plants
- Captive Power Projects
- Waste to Energy
- OSM, AMC, Overhauling Services

CARBON SOLUTIONS

- H2 based power projects
- Carbon Capture, Utilization and storage (CCUS) Technologies.
- Emission Monitoring and Reduction Strategies
- Carbon offset Projects
-

EHV & GIS SUBSTATIONS

- Design and Installation of
- Extra High Voltage (EHV) substations
- Gas Insulated Switchgear (GIS) substations
- Substation Automation and Remote Operation (SCADA)
- Transmission Line and Towers
- Transformer, Switchgears, Bus Ducts



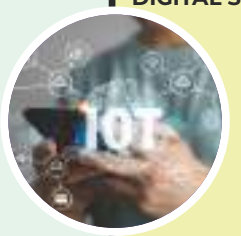
DISTRIBUTION SUB-STATIONS

- Engineering Construction:
- Gas Insulated Switchgear (GIS) distribution Transformers
- AIS (Outdoor) Bus Ducts, substations.
- Ring main system, Gantry Tower

INDUSTRIAL INFRASTRUCTURE PROJECTS

- Comprehensive solutions for:
- Industrial projects
- Oil & Natural Gas Projects
- Pipelines Projects
- Balance of Plant (BOP)
- Railways & Metro Electrification
- Heavy Equipment Erection

DIGITAL SOLUTIONS (DX, IOT & SOFTWARE)



- IoT solutions for Power and Industrial Projects
- Software applications for related industries
- Digital Solutions

EV CHARGING & ENERGY STORAGE SYSTEMS

- Design and implementation of:
- Electric vehicle (EV) charging stations.
- Energy storage systems
- Battery Modules

BUILDINGS & ROADS INFRASTRUCTURE

- Engineering consultancy for:
- Building infrastructure projects.
- Road infrastructure projects
- 3D Modelling

ENVIRONMENT & POLLUTION CONTROL

- Solutions focusing on:
- Environmental sustainability
- Decarbonization
- Emissions control
- Waste Management

These refined service offerings should help articulate the comprehensive range of expertise and capabilities that **Tasgo India Private Limited** offers across its various business areas.

SK CREATIVE WORKS

QUALITY, HEALTH & SAFETY, ENVIRONMENT (QHSE) SYSTEM:

TASGO INDIA PVT. LTD. is an ISO-9001/14001/45001 certified company maintains high standards of Quality, Health & Safety, and Environmental management across all operations.

We ensure operational excellence through world-class quality systems and continuous improvement. Complying with international standards and local regulations, we identify hazards, assess risks, and implement proactive measures like enhancing protective systems and optimizing inventory.

QUALITY MANAGEMENT SYSTEM

At TASGO INDIA, we prioritize customer satisfaction by delivering high-quality services and products while meeting all statutory and regulatory requirements.

Key Principles:

- **Understanding Customer Needs:** We proactively understand our customers' diverse needs and expectations.
