SK CREATIVE WORKS

ABOUT US

At SPM (**Sri Pragnesh Manasa**) Infrastructure Private Ltd., we operate as a cohesive and professionally driven team committed to excellence, integrity, safety, and environmental responsibility, actively contributing to the nation's infrastructure development. Our approach is centered on delivering innovative and efficient engineering solutions that enhance construction methodologies, improve project execution, and ensure long-term value creation.

As a comprehensive EPC organization, we undertake a wide range of projects including roads, highways, buildings, airports, and critical infrastructure developments. From planning and design to procurement and execution, we focus on delivering high-quality outcomes within defined timelines and budgets, ensuring strict adherence to technical standards and regulatory requirements.

With strong engineering capabilities and execution expertise, we are steadily strengthening our presence in the infrastructure sector. Driven by a long-term vision, we are committed to building sustainable, reliable, and future-ready infrastructure that supports economic growth and contributes to a better, stronger tomorrow.

SK CREATIVE WORKS

About our Managing Directors

Srinivasa Rao

A visionary leader with over two decades of experience in strategic, fiscal, and operational leadership across large-scale construction projects and programs. Proven expertise in project planning, execution, and management, with a strong track record of delivering multiple projects within defined timelines and budgets.

Possessing in-depth knowledge of modern construction technologies and project management practices, he has consistently demonstrated excellence in planning, scheduling, monitoring, and successful project execution. His strong financial and budgeting skills enable effective cost control, resource optimization, and assessment of project viability and business impact.

Dilip Ray

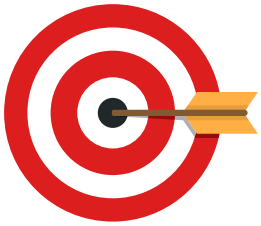
A dynamic and results-oriented leader with extensive experience in managing and delivering large-scale construction and infrastructure projects. Known for strong strategic vision and operational excellence, he has successfully led diverse projects with a focus on quality, timely execution, and cost efficiency.

With deep expertise in project management, construction planning, and modern engineering practices, he brings a proactive approach to problem-solving and resource optimization. His strong leadership, financial acumen, and commitment to innovation continue to drive sustainable growth and organizational success.

SK CREATIVE WORKS

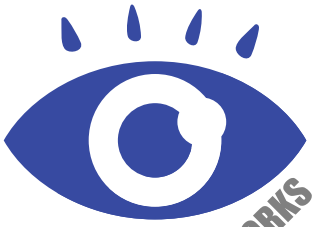
OUR MISSION

Our mission is to harness the latest advancements in the construction industry, guided by the insight and expertise of forward-thinking professionals, to help create a better world to live in. We are committed to delivering exceptional service and superior craftsmanship in every project we undertake. A clearly defined mission aligns large construction teams, drives purposeful action, strengthens customer-focused communication, and instills a strong sense of direction and intent.



OUR VISION

Our vision is to grow into a leading construction firm, consistently delivering projects that surpass international standards and ensure outstanding customer satisfaction. We strive to provide exceptional value and innovative solutions tailored to our clients' needs. By embracing modern practices and advanced technologies, **SPM Infrastructure Private Limited** aims to be the preferred choice nationwide, recognized for excellence, quality, performance, and reliability across all types of construction projects.



SK CREATIVE WORKS

OUR BUSINESS PROCESS

Our business process is designed to ensure seamless execution, transparency, and quality at every stage of project delivery.

SK CREATIVE WORKS

WHAT WE DO

We specialize in EPC projects, delivering high-quality services to clients across all aspects of civil works in industrial construction.

WHAT WE DO

EPC PROJECT SERVICES

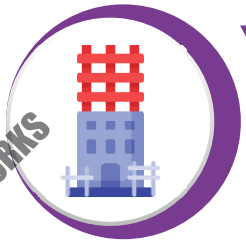
End-to-end project delivery covering design, procurement, and construction with a focus on efficiency and quality.

BUILDING CONSTRUCTION WORKS

Complete building solutions from initial groundwork to final completion, including civil construction, plumbing, electrical, and painting works.

SUPERSTRUCTURE WORKS

Construction of robust structural frameworks with precision and engineering excellence.



INDUSTRIAL CONSTRUCTION SERVICES

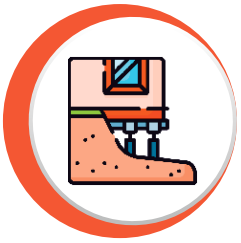
Comprehensive construction solutions tailored to meet the complex needs of industrial projects.

STEEL STRUCTURES MANUFACTURING

We manufacture and fabricate PEB buildings and structures with a focus on strength, durability, and precision engineering for industrial and commercial use.

CIVIL FOUNDATION WORKS

Strong and reliable foundation construction ensuring structural stability and durability



AIR PORT CONSTRUCTION

We deliver airport construction solutions including runways, terminals, and airside works built to modern standards.

ROAD WORKS

Development of durable and safe road infrastructure built to high performance standards.

SK CREATIVE WORKS

OUR CORE VALUES

Our EPC core values define the foundation of how we plan, execute, and deliver projects with a strong commitment to excellence, integrity, safety, and client satisfaction.

INTEGRITY

We uphold honesty, transparency, and ethical practices in every aspect of our work.

QUALITY

We are committed to delivering excellence through high standards and continuous improvement.

SAFETY

We prioritize the health, safety, and well-being of people in all our operations.

ACCOUNTABILITY

We take ownership of our actions and deliver on our commitments responsibly.

INNOVATION

We encourage creative thinking and adopt innovative solutions to drive progress and efficiency.

TEAMWORK

We foster collaboration, mutual respect, and shared success across all teams

CUSTOMER FOCUS

We strive to understand and exceed customer expectations through reliable and value-driven solutions.

SUSTAINABILITY

We promote environmentally and socially responsible practices for long-term growth and impact.
